AROUND THE CAMPFIRE

Baden Powell lodge 465 Buenos Aires, Argentina

After a year of waiting for the pandemic, after time of training, zooming, printing games so that our children without the internet will begin to smell what Scouting is, today was the day, that day that we wait with great anxiety and that beautiful anxiety "the one to serve", some with experience and others not, in the end everything equals expectations, see the innate fraternity among the children, for them there are no economic, or religious differences. Then they become our best teachers in that we

lose or forget in our adulthood, play again as children heals the soul, when was the last time you played? Having adventures like pirates, having memory of objects behind a curtain, setting fire etc., learning to share to be better, to be ready, save and serve? I think I am a boy in the reflections of what a Scout Group generates in a community, in a family out there and especially in a child, I'm happy to have the honor of being on par with every member of our beloved GSHBR No.13 there's a lot ahead of me and leaving clue signs for children and young people to make the world a better place.

News from Lodge of Unity, Peace, and Concord 316

The Installation will take place on **Sat 26th June 2021**. At present this meeting will still be held at FMH. There are indications that attendance may be limited, but we must wait and see. The Freemasons Arms have been contacted and hopefully they will be open so we can dine there.

The Autumn Meeting was planned for Saturday 16th October in Bristol when the Scoutcraft Lodge were hosting the KLA Festival, however, due to problems created by the recent lock downs Scoutcraft has request, that date to be moved to 20th November.

Following consultation with Mike Gooderson (who will be W.M) we have decided that we should not move the meeting of 316, therefore **it will still be held on 16th October**, but will be moved to somewhere in Norfolk instead. You will be advised when a location has been booked, and then apply for a dispensation.
